

VENDOR ADVISORY

Pistang Pilipino sa Wellington 2026

Reusable Serviceware System (Cups & Food Trays)

Hi Vendors,

As part of this year's Pistang Pilipino sa Wellington, we are introducing a Reusable Cup and Food Tray System across the event.

This initiative is aligned with New Zealand's environmental standards and our goal to deliver a cleaner, more sustainable, and premium festival experience for everyone.

WHY WE ARE DOING THIS

- Reduce single-use waste and plastic consumption
- Align with NZ sustainability expectations for public events
- Create a cleaner and more organized event environment
- Elevate the overall customer experience

WHAT THIS MEANS FOR YOU

Instead of disposable packaging, all vendors will use reusable cups and food trays provided onsite.

Benefits to Vendors:

- No need to purchase disposable cups or containers
- Less rubbish and cleaner stall operations
- Improved customer experience (no overflowing bins)
- Be part of a sustainable, community-led event
- Stronger brand image aligned with NZ environmental values

HOW THE SYSTEM WORKS

- Reusable cups and trays will be supplied for all vendors
- Clearly marked collection bins will be placed around the venue
- Customers return items after use
- Onsite team manages collection, returns, and flow
- All washing and sanitation handled centrally after the event

This system is already proven effective across large-scale NZ events, achieving 92% average return rates, ensuring smooth operations for both vendors and customers

EVENT SUPPORT INCLUDED

- Delivery and collection of all reusable items
- Onsite support team to assist vendors
- Collection stations and signage
- Post-event cleaning and sanitation
- System management throughout the event

OUR COMMITMENT

Pistang Pilipino 2026 aims to be one of the most sustainable Filipino events in New Zealand, and your participation plays a key role in making this happen.

Together, we can reduce waste, improve event quality, and set a new standard for our community events.

NEXT STEPS

We will be sharing:

- Simple vendor guidelines
- Process flow (easy to follow)
- Final operational details

Thank you for your support and cooperation.

We look forward to working with you to create a successful and sustainable event.

Maraming salamat!
